# imababywear

All the imababywear garments are tailored by a highly skilled master-tailor to the precise size of its wearer. Every clothe is uniquely tailored for a perfect fit.

imababywear garments are made with 100% premium cotton. They are free of chemicals, Hypoallergenic, natural moisture wicking and do not irritate skin.

Our cotton is sourced directly from nature, which is highly breathable, naturally absorbs and releases moisture and so good for sensitive skins.

## Crafted Fabrics

Interlock

Interlock fabrics are specially knitted for baby garments, because it is super-soft. This fabric is smooth on both the sides which feels like a butterfly on the baby's skin. It has a good shape retention property

Bamboo

Bamboo fabric is a natural textile made from the pulp of bamboo grass. These natural fabrics are designed to clothe your little ones with greatest comfort. It is silky-soft, feels heavenly against the babies skin.

Woven  
voile

Woven voile fabrics are very light and soft. It provides smarter and luxurious appearance to the wearer. Fabric looks pristine for longer. Light nature of this fabric is a great option for hot weather.

Skin Friendly Dyes
